

Together We Rise

# Introduction

---

Start the journey that uncovers the visionary principles, unmatched commitment and redefine excellence that makes up Atwal. We bring together an end to end solution for complete interior finishing with forward thinking leadership and dedicated workforce.

We are all set to deliver the services and solutions according to your expectations and needs. Having been in the industry for so long and delivering successful projects our expertise range from

- Drywall
- Insulation
- Finishing Carpentry
- Steel Stud Work
- Flooring and
- Painting

Every project taken by Atwal is filled with our core values: quality, innovation, safety, and collaboration. Every project aims to eliminate the gaps between drywall, insulation, painting and flooring. Our team works with one vision in mind and that is to provide the perfect finish to the client.

Exclude the burden of having to keep a check on these departments of renovations as we take over to provide you with the best. We bridge the gap between innovation and tradition and we will be delighted if you will join us in this revolutionary journey.

As you go through this presentation, you will witness our steady dedication, seamless blend of our successful portfolio and solid commitment to the industry we serve.

# Company Structure

---

- **Back Office Management** - (Scheduler, Estimators, Accountant, Project Coordinators)
  - Backbone of efficient operations, ensuring the flow of vital processes that keep a company running smoothly.
- **Project Managers** - (head of the project)
  - With a keen eye for detail and a strategic mindset, project managers are the foundation of Atwal.
- **Site Supervisor** - (Oversees actual work on site)
  - They navigate complex challenges with control, enabling front-facing teams to shine and clients to experience unparalleled service.
- **Trade Workers** - (most of them equipped with First Aid, boom lift and fall protection certificates)
  - They are the architects of operational excellence with all of the proper equipment.

# Core Values

---

At Atwal, our core values are not just words on paper; they are the guiding force behind every decision we make, every action we take, and every project we do. They are our identity and shape the way we innovate.

- **Safety:**
  - Prioritize the well-being of Workers and Partners. The well-being of our team members and the communities we serve is our top priority. We are committed to maintaining the highest safety standards, ensuring that every project is executed with utmost care and diligence.
- **Collaboration:**
  - Foster a culture of teamwork and open communication. We actively seek diverse perspectives, work hard together, and have the collective wisdom of our team to achieve remarkable results.
- **Long-Term Vision:**
  - Focus on building long-lasting relationships with clients and partners. Embracing change and pushing boundaries is at the heart of our culture. We are dedicated to promoting a dynamic and lasting relationship with clients and partners.
- **Respect:**
  - Treat all individuals with respect and dignity, regardless of their role or background. We uphold the highest moral standards, building an environment of trust, accountability, and unwavering integrity. This leads to empowerment, growth and excellence.
